

# The Lamplighter

Emmanuel United Methodist Church

February 2010

Pastor Daniel Mejia

Christmas shopping is always an “adventure” for me. The adventure stems from the fact that it takes me a long time to decide on the perfect Christmas gift to give, which leads me into doing Christmas shopping the day before Christmas, which then leads me into encountering a wave of friendly procrastinators that do last minute Christmas shopping. But this past Christmas I was determined to “not be caught in the inevitable wave of my Christmas shopping indecision.” I made a plan, I had a list, I did my research, and I was ready for Christmas. But my Christmas preparations and good intentions did not spare me from one more unforeseen adversity: lack of parking spaces. I don’t know what took me longer this past Christmas, finding parking or getting the Christmas gifts. What made the parking experience more frustrating was the fact that in several occasions I encountered one car taking more than one space. The ripple effect of one car using more than one space is that

it forced the other cars to adjust; thus making all the cars in that row park incorrectly. There is an inevitable connection between all the cars in the parking lot and the universe.

For better or for worse, we are all inter-connected in the universe of our actions and omissions. When one of us fails to act, to speak, to give, to forgive, to be Christ-like in our personal decisions, we are all affected. The good health and ministry of the church depends in the realization that we all have a task, a function to perform in the service of God’s Kingdom. The Apostle Paul said it very eloquently, **“For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.... Indeed, the body does not consist of one member but of many. If the foot would say, “Because I am not a hand, I do not belong to the body,” that would not make it any less a part of the body... But God has so arranged the body....**

**that there may be no dissension within the body, but the members may have the same care for one another. If one member suffers, all suffer together with it; if one member is honored, all rejoice together with it.”** (1 Corinthians 12: 12, 14, 15, 24-26) We are all inter-connected in the universe of our actions and faith. It doesn’t matter how small you think your contribution and service is to the body of Christ, God is counting on you.

I continue to have an on and off “love-hate” relationship with parking lots. Just for the record, I am great at parking in small places. I am quick and precise. I wish life and faith were as simple as learning how to park correctly. Let us all join together in our service to God. It is time that we all begin to do our part.

Yours In Christ,

Pastor Daniel Mejia

## EMMANUEL'S 175th ANNIVERSARY

By Chairman Charlie Deegan

In June 1836, trustees of the Methodist Episcopal Church purchased land from Evan Shaw to build a place of worship. That act of faith in building Ebenezer Meeting House planted seeds that matured into Emmanuel United Methodist Church. If you do the math, you will realize that in June 2011, Emmanuel's congregation will be 175 years old!

How do we want to observe this occasion? Twenty-five years ago, a hardworking Records and History Committee researched and wrote "150 Years of Methodism in Beltsville, Maryland." Many of these folks are still worshipping with us, so take a minute to thank John Bouma, Mary Lou Galloway, Lois Rodriguez and Doris Wray for the many hours they devoted to documenting Emmanuel's heritage. Doris Coe, Jessie Marcus and longtime Church Historian Victorine Hopkins have moved out of the area, but I am sure their friends at Emmanuel are still in their hearts. They've given us a wonderful base for updating the church history to cover Emmanuel's staff and programs during the last 25 years. We also want a "175th Anniversary" edition of our photo directory that will include a page featuring Emmanuel's current and former pastors. We'll want to host a "homecoming" service to which we invite former pastors and parishioners. But there are many other possible ways to celebrate this special year. We have a year to pull our plans together, but we need to get started! In February, the Church Council will host a brainstorming session to develop a list of activities and events we might undertake to commemorate this major anniversary. Everyone who worships at Emmanuel will be invited. Please plan to attend so we can benefit from your ideas.

Our anniversary year has the potential to be very special, not only for the "old-timers" who will be able to reconnect with old friends and reminisce about the "good old days" but for "new-timers" who will have an opportunity to learn

about how Emmanuel came to be the congregation it is today. It should also give our children and youth a chance to feel a real connection with those Methodists, both children and adults, who came before them. So share your ideas on what we can do to mark this special occasion! Then choose an activity you'd like to support and pitch in to help!

## DEAR EUMC

I just want to express my deep gratitude for your support of my immersion in Israel-Palestine this January. Thank you, Thank you, Thank you!!! I was unprepared for and overwhelmed by your generosity. I am anticipating that these will be a life-changing two weeks, and you all have helped make this possible for me. I am excited to come back and share my experiences and my learning with you all! I will be gone from January 2-15, 2009, and I hope that you all will continue to support me, my fellow seminarians who are traveling with me, and those who live in Israel-Palestine through your prayers. Again - thank you for all the many ways that you all have supported me and the interest that you have taken in my life and growth.

In other news, January marks a huge event for the youth group! ROCK 2010 is quickly approaching and we have 16 youth and adults from Emmanuel UMC going to this Baltimore-Washington Conference youth retreat. It promises to

be a time filled with fun, music, and

spiritual growth. Pray for us as we head to spend January 22-24<sup>th</sup> in Ocean City, Maryland at this event. For more information about it visit the Conference webpage at <http://www.bwcumc.org/content/rock>.

Grace and Peace,

Michelle Thorne

**WHERE THE MONEY GOES**

By Jane Grays, UMW, Education & Interpretation

Emmanuel United Methodist Women have three fundraising events every year. In the spring we hold a Rummage Sale, in the fall the Apple festival, and we also sell various types of pecans beginning in the fall until they are sold. The proceeds support mission programs/projects locally and globally.

In this issue we will highlight Susanna Wesley House, a local program which your generous contributions continue to support!

**The Mission**

The mission of Susanna Wesley House, Inc. is to assist women in need and their dependent children; to provide a safe, clean home; and to ensure a viable program for the residents to obtain independent living.

**The Home**

The Susanna Wesley House is home to nine mothers and their children. Each family has private living quarters (one or two bedrooms and bathroom), a shared or private kitchen and shared laundry rooms on each floor. The house has community space and a resources center which includes computers, a library and play space. There is a secure playground in the backyard with swings and climbing equipment where the children can play. The home is located at 609 Park Ave, Baltimore, MD 21201

**The Residents**

Women come to the Susanna Wesley House from many different places and for many different reasons. Some are fleeing domestic violence, while others are recovering from substance abuse. Some have lost jobs and others have lost homes. Susanna Wesley House asks only that they possess a desire to improve their lives and the lives of their children.

**The Program**

The Women's Housing Coalition provides the program at Susanna Wesley House. The comprehensive program for the residents is designed to help women achieve their goals and move on to independent living. All of the women complete an Individual Service Plan when they enter the program and review it with the case manager frequently. It may include schooling, job training, or counseling of various types. Workshops are held to enhance life skills and help the mothers to work with their children.

**A SUPPORT GROUP FOR PEOPLE WITH DEPRESSION OR BIPOLAR DISORDER AND/OR FAMILY MEMBERS AND FRIENDS**

By Jennie Owens

As we enter February, 2010 the support group here at our church will begin its seventh year. Our group is affiliated with the national organization DBSA (Depression and Bipolar Support Alliance), and we have just completed the re-affiliation process.

Meeting every second and fourth Monday night, the support group continues to operate very well. We have an average of 10 – 12 attendees each meeting, and it continues to be a rewarding and heart-warming experience for the facilitators when we hear attendees tell us how much they need the group and appreciate the services we offer.

If you have any questions concerning the support group, please feel free to contact either Elsie Cline or Jennie Owens.

God Bless

**THANK YOU**

To everyone who sent cards to me during my convalescence after my latest knee replacement surgery. I have decided I do not want any more body replacement parts!

Thanks also to Pastor Dan for bringing communion and to the visitation team, Doris Wray, Elizabeth Mougey and Hazel Newell who made every effort to visit with me but were sometimes prevented from doing so due to my reaction from pain medication. I am on the mend, so to speak, now returning to church services on Sunday which I missed quite a lot. It is nice to be back in the fold.

## CHRISTMAS AT EMMANUEL

By Kathryn Griffin

How many people does it take to prepare Emmanuel for Christmas? Our sanctuary tree was donated by Spicknall's Farm. Lynne and Bob Miller picked it up and put it up. The MYF and Michelle Thorne decorated the tree with Chrismons made by our members in years past. Lynne and Bob Miller, Ruth Smith and Barbara Butcher decorated the church and Advent wreath. Special vocal Christmas music was presented by the Maranatha choir, Chancel choir and Sophia Tobin. Instrumental music was presented by Monica and Angela Hatton, Robert and Victoria Galloway, and Michelle Thorne

The cast and crew, under the direction of Rick Bergmann presented a wonderful production of "A Charlie Brown Christmas." Proceeds went to the Linus Project (blankets for children in hospitals).

Christmas Eve Services always require extra help. Birthday cake and candles, Kathryn Griffin Sound and special ushers Rick Bergmann, Mike Hatton and Margie Mock. Special Christmas Eve helpers, Bobbie and Charlie Deegan

The Family Life ministry, led by Kathy and Pat Mellott, made arrangements for "Charlie Brown" T-shirts and the dinner that wasn't. (You still have to order food and sell T-shirts!)

Don't forget the groups that help make Christmas better for others. UMW and Jane Greys-Christmas stockings for the Salvation Army, UMW mission project-Karen Mackey sells pecans that are also good for Valentine's Day! Becky Cavallo-Angel Tree project, Sunday School and Todd Reitzel-The Mitten Tree. We lend our church to The Women's Community Club of Beltsville for Thanksgiving and Christmas baskets. Evelyn Adkins and Beth Adle participate in this group.

Girl Scout Troop #2751 baked cookies for Community Place Cafe. For

Epiphany Sunday Olivia Heath baked a beautiful Chrismon cake and Nancy Thrush provided a delicious Wassail Bowl.

Thanks to Beth and JoAnne in the office for proofreading lots of programs, bulletins and lists. Many people help to make Christmas beautiful and special for all of us. We are blessed!

## COMMUNITY PLACE CAFÉ

By Ann Rowland

During the last quarter of 2009 we served 244 hot lunches to homeless, jobless and the working poor at the Café at First United Methodist Church in Hyattsville. We served nearly 1000 meals in all of 2009. The meal program is one of many services administered by Community Ministries of Prince George's County.

We can always use more volunteers to bake cakes, shop, cook and serve. If you would like to lend a hand to this ministry please call Elsie Cline at 301-937-6024 who coordinates the shopping and cake bakers. Call Ann Rowland at 301-572-5250 if you would like to help cook or serve.

We prepare the meal on the 3<sup>rd</sup> Thurs. and serve on the 3<sup>rd</sup> Fri. of every month. Food preparation takes about 1½ hours and serving requires a two to three-hour commitment. Volunteering can take as little or as much time as you wish to offer. If you can't be on site to volunteer, there are other ways you can participate such as donations of warm clothing, toiletries and monetary gifts. A shower was recently installed at First Methodist and is open several times a week for showers, so there is a pressing and ongoing need for towels and bath soap. Warm clothing will be needed through March. Bagged donations labeled CPC may be left in the Durst Corridor.

We would like to express our gratitude to all who donate their time and resources to this ministry.

**SUNDAY SCHOOL**

By Todd Reitzel, Superintendent

*“The kingdom of heaven is like a mustard seed, which a person took and sowed in his garden, which indeed is smaller than all the seeds, but when it grows, it becomes a tree, larger than all the herbs” (Matthew 13:31-32)*

On a recent Sunday, my adult class bemoaned the current state of our public schools: violence, an absence of respect, and general unkindness. How might we as a church respond? We cannot parent others’ children. Are there meaningful, life-changing ways in which we might connect with area families?

In January EUMC Sunday School donated 54 pairs of gloves to our 3 area elementary schools. We are now keeping all those hands warm, but we also want to engage people’s spirits, minds, and souls. How will we do this?

By now, you will have had the opportunity to complete the EUMC Christian Education Survey, which we will use to guide the development of our curricula. Some current classes will continue, but we also intend to offer new education opportunities beginning this Lent.

And as in the past, children’s Sunday School will offer special events designed to teach in a fun way. On Sunday, February 14, we will hold a Valentine’s Workshop to make cards for local shut-ins. And on Easter Sunday, April 4, we will hold the EUMC Easter Egg Hunt. These events are great opportunities to introduce others to EUMC Sunday School; why not invite your child’s friend or a neighbor’s child? Or for that matter, why not invite that child to come any Sunday?

The coming season holds tremendous opportunities for EUMC to change lives, in game-changing ways. A child visiting Sunday School may lead to a family. A family visiting may attend to a family attending regularly. And families attending regularly can change lives in our church, in our schools, and in our community.

The seeds of the kingdom are being planted for the future. What seeds can you sow this season.

**UNITED METHODIST MEN**

By Rick Bergmann

The United Methodist Men will kick off the year with our first men’s breakfast of the year on January 30<sup>th</sup> at 8:30 a.m. All men are invited; a good will offering is taken to cover the cost of food. Our men’s breakfast has typically been the last Saturday of the month, but that will change beginning in March. Our breakfast will move to the second Saturday of each month. We will also begin a Lenten bible study in February. More details to come next month. We

**DRAMA MINISTRY**

By Rick Bergmann

At the end of 2009, Emmanuel decided to try something new, begin a Drama Ministry. We began with “A Charlie Brown Christmas.” We had a very successful production of A Charlie Brown Christmas despite being snowed out. It was wonderful to see all of the church and community support. Over the 2 nights we had approximately 150 people come out to see the show. A huge thanks goes to everyone who worked on the show- Charlie and Bobbie Deegan, Doug Kresge, DeeDee Musachio, Alex and Hannah Butcher, Bryant Davis, Gary and Olivia Heath, Kathryn Griffin, Scarlet Robertson, Katie Kaufman, Greg Stiggers, Margie Mock, Linda Hiner and Jane Grays. We will have DVD’s available in the near future. They will cost \$5.00 and proceeds will go to support the Drama ministry. The drama ministry is still in its infancy and will continue to grow throughout the year. We will be putting a drama ministry team together. If you are interested in being a part of this team, please see Rick Bergmann.

## WORSHIP COMMITTEE

By Mike Hatton and George Urick  
Co-Chairs, Worship Committee

Worship team members met with Rev. Mejia in the library the 13th of January for their first meeting of the new year. After the opening prayer by Daniel, Mike led the evenings discussion. He spent a few minutes reviewing some of the accomplished goals for 2009. New purchases and acquisition of video camera, lap top, and DVD burner during the year have all been put into service. New wireless and platform microphones are being used on a regular basis. Tweaking the entire sound system is continual. The sound board is being consolidated in a more efficient arrangement of wiring input. A roll top cover to help protect and secure expensive sound equipment is still needed and being worked on. Swinging louvered doors mounted on the platform is being planned for the near future, but finding some to use has not been easy.

Kathryn Griffin said she will order two new sets of advent candles. While looking around in the closet she found 75 candles which can be used for candle lighting service this year. The Christ Candle has been taken down for this year, but next year Daniel would like to have it by the altar until the beginning of Lent. Kathryn mentioned that the recent high humidity in the sanctuary did not appear to have damaged the organ, but arrangements have been made for it to be tuned soon.

Margie Mock mentioned that there were still opportunities for worshipers to sign up as "greeters" or for "scripture reading."

Rick Bergmann expressed some concern that participants in the 9:00 a.m. service did not appear to be trying to sing new songs. A meeting with band members and song leader is being considered to talk about it.

A planning retreat is being held at George and Beverly Urick's house on Feb. 6, 2010 from 9:00 a.m. to 2:00 p.m. At noon there will be a pot luck luncheon for those in attendance.

The outstanding congregational support is greatly appreciated.

## EPWORTH HOUSE Expanding Concepts of Mission at

### Wesley Theological Seminary

By Jane Grays, UMW Education & Interpretation

#### Epworth House Mission Statement

Epworth House is a project of the United Methodist Women of the Baltimore Washington Conference to the glory of God. We are a supportive community that provides financial assistance through scholarships to women students in church studies at Wesley Theological Seminary.

"Let's Get Together" and celebrate the Epworth House Annual Spring Luncheon, sponsored by UMW of the Greater Washington District and the Washington East District, Tuesday, March 9, 2010, 12:00 Noon at Holiday Inn-College Park, 10000 Baltimore Ave. College Park, MD 20704 (Route 1). Cost per person, \$30.00, registration deadline is Monday, March 1, 2010. Esther Agbosu is the 2010 recipient and will be presented a \$10,000.00 scholarship to continue her studies at Wesley Seminary. It is a wonderful luncheon and we get to meet and greet our Sisters from around the Baltimore Washington Conference.

If you are not able to attend the luncheon, there is a patron form on the UMW bulletin board, or you may contact a circle leader, or UMW officer to make your donation. The \$5.00 contribution will assist in sponsoring the Missioner-in-Resident.

Through God's rich blessings, and the sacrifice and dedication of a countless number of women, has literally provided a place of refuge, as well as other types of help and support to missionaries since 1964. The relationships between the Epworth House Mission Project Committee and the recipients of its support have blessed the world in

many ways and on many continents. We are blessed that we are able to continue to provide tuition assistance for a selected female attending Wesley Theological Seminary.

The United Methodist Women thank you for your continued support of our global and local mission projects.

Supper will be served at 5:00 p.m. and 7:00 p.m. with a theatrical performance at 6:00 p.m. Tickets are \$10 for all-you-can-eat pancakes and sausage, and the show. **FOOD CLOSET**

By Carol Clatterbuck

Thank you for starting to replenish our closet with canned goods for our friends, neighbors, and community needs. The first Sunday of the month is designated to remind you to drop your canned item(s) in the basket by the front door of the Narthex.

**CAMPING SUNDAY**

By Kathy Mellott

Camping Sunday is scheduled for Sunday, February 14th. Last year Emmanuel helped 6 campers go to a United Methodist Summer Camp. Family Life contributed \$200 per camper from the Campership Fund. 10% of the money collected during February was sent to the Baltimore-Washington Conference Campership Fund to help inner city children attend camp. This year, our fund needs your help. On February 14th there will be a Poster Contest where you can contribute change to the Campership Fund as you vote for the winning poster. Contestants will receive prizes for entering. Campership envelopes for donations will be available on the Family Life bulletin board in the Narthex throughout the month of February. Let's help our children go to summer camp

**EXTRA GIVING**

By Barbara Butcher

The wooden collection plates that you pass on your way to communion are there to receive donations to the Minister's Special Fund. The minister uses the fund for small gifts to members and non-members who may find themselves in urgent need. Please give as you can. Even small donations add up over time and support a worthy Christian cause.

**GREEN CORNER**

By Olivia Heath

Please do not throw your bulletins in the trash. They can be recycled. You can give them back to an usher or look for one of our recycling containers or put them in recycling at home. Thanks for thinking "GREEN"

**ESOL UPDATE**

By Pat Allen

Our ESOL project has been blessed with really great teachers who have been busily planning their lessons for the spring semester that started January 12. In Class 1 Bryant Davis and Olivia Heath are using novel approaches to provide beginning students with the practical English vocabulary necessary for basic communication in the community including working on a job, shopping for food and clothing, and obtaining health care. They are also using phonics exercises to familiarize the students with the sometimes-confusing sounds of English words.

In Class 2, Sharon Hawkins and Bobbi Meyers are working to expand the vocabulary of beginning students and to develop their reading skills and comprehension through the use of short stories centered on every day experiences, all the while helping them to improve their pronunciation.

Jennie Owens has been teaching Class 3 which is for advanced beginners. This semester she is continuing to help students develop the four communication skills of listening, speaking, reading and writing. Classroom exercises include vocabulary, basic English grammar such as proper use of verb tense, and life skills readings.

Bobbie Deegan is mentoring our advanced students in Class 4. Her class is truly international this semester. Students registered so far are from Korea, Thailand, Guinea (Africa), Honduras, and Nicaragua. They are using some new materials to help them increase their grammar, reading comprehension and speaking skills. They are also building “word ladders” to expand their vocabularies. For example, they followed 8 clues to go from “dog” to “bone,” changing no more than one letter at a time. Along the way, they learned the words “nod” and “cod.” Stop by their class and they’ll show you how a word ladder works! Visitors and helpers are always welcome.

Most importantly, all our teachers provide a friendly and nurturing atmosphere for our students. It is apparent from the frequent bursts laughter heard up and down the hall that both teachers and students are having a good time in their classes.
